

Simple yet brilliant – our Steel Overlay is sure to be a showstopper. The refined style of the Steel Overlay will be the envy of the neighborhood for years to come. This door leaves some of the Flush Panel steel visible while accenting the door with a Smart Trim® overlay design. With multiple overlay options, endless design choices, and even personal customization, there are countless possibilities to distinguish your door from the rest.

Choose Midland's Overlays to make your vision a reality.

The Art & Science of Your Steel Overlay Door

Our ThermoSteel™ Overlays leave the creativity in your hands. Choose from 20 different Midland designs, or, for ultimate customization, design your own. We offer nine underlay door colors and six overlay color options, or request your door to be primed for you to paint the color of your choice.

CHOOSE YOUR UNDERLAY AND OVERLAY COLORS

Due to printing processes, colors may not be an accurate representation of the final product.

Please contact your Midland dealer for authentic color swatches.

*Rosewood, Directional Dark Oak and Directional Light Oak available in underlay colors only. All doors come primed, painted and finished. The owner can paint the door the color of their choice or have Midland do it in one of our standard colors for an additional cost.
